

ICDT (Trade)

Project Title: Facilitating Trade: Identifying NTBs among the OIC Member States

Project Owner: ICDT

Institution: ICDT

Partner Countries: Morocco, Senegal and Egypt

Cooperation Area: Trade

Project Purpose: The project purpose is the simplification and the facilitation of trade procedures in the OIC Member States by establishing an OIC Observatory on NTBs in order to gather the complaints of OIC's Member States exporters and consider the ways and means to enhance trade flows between Member Countries

Project Activities: Holding an awareness-raising seminar on Non-Tariff Barriers and Non-Tariff Measures in collaboration with ITC, UNCTAD, FAO, UNIDO, WTO and World Bank
