

INDONESIA

Project No: 2017-IDNPOVER-349

Project Title: Improving the Single Window Service System for Social Protection and Poverty Reduction in the OIC Countries

Project Owner: Ministry of Social Affairs of Indonesia

Project Partners: Azerbaijan, Pakistan, Bangladesh

Cooperation Area: Poverty Alleviation

Implementation Year: 2018

Project Purpose: This project was initiated based on the 32nd COMCEC Ministerial Session's policy recommendations for the development of social safety net programs. In this context, the project aimed to improve the capacity of local facilitators and mentoring community regarding the use of single window service systems in social protection implementations and poverty alleviation programs.

Project Activities:

- Conference for sharing ideas and country experiences about social protection programs
- Workshop for producing training modules with the support of the partner countries
- Three training programs for improving the capacity of local facilitators and mentoring community
