

AFGHANISTAN

Project No: 2018-AFGPOVER-624

Project Title: Improving the Quality of Education through Information and Communication Technologies in the OIC Countries

Project Owner: Ministry of Economy

Project Partners: Iran, Palestine and Turkey

Cooperation Area: Poverty Alleviation

Implementation Year: 2019

Project Purpose: One of the policy recommendations of the COMCEC Poverty Alleviation Working Group meetings is “increasing teaching and learning effectiveness through adoption and widespread use of information and communication technologies (ICT)”. In line with this, the project aims at enhancing disadvantaged children’s access to qualified education in the rural regions of Afghanistan through ICT.

Project Activities:

- Workshop for sharing best practices to increase the quality of education through ICT for disadvantaged children in the rural areas of the OIC member countries
