

## **NIGERIA**

### **Project No: 2018-NGAPOVER-605**

**Project Title:** Strengthening Technical and Vocational Education for Grassroots Empowerment in the OIC Countries

**Project Owner:** Ministry of Finance

**Project Partners:** The Gambia, Togo and Turkey

**Cooperation Area:** Poverty Alleviation

**Implementation Year:** 2019

**Project Purpose:** The COMCEC Strategy aims at increasing the productivity and income of vulnerable groups in the member countries through capacity building and vocational education programs. To reach this aim, the project is targeted to put the current situation and need with regard to vocational education of the youth and women in the OIC countries to further reintroduce them to economy and to provide a sustainable development.

**Project Activities:**

- Workshop for identifying gaps and assessing the needs for the technical and vocational education systems in the OIC countries to create a roadmap and to address job creation for the vulnerable groups
