

## **SURINAME**

### **Project No: 2018-SURPOVER-591**

**Project Title:** Increasing the Capacity of Vocational Education Centres for the Disabled in the Selected OIC Countries

**Project Owner:** Ministry of Social Affairs and Housing

**Project Partners:** Guyana and Turkey

**Cooperation Area:** Poverty Alleviation

**Implementation Year:** 2019

**Project Purpose:** One of the meetings of the COMCEC Poverty Alleviation Working Group has been devoted to the skills development and vocational education in the Islamic countries. Also, several policy recommendations have been accepted such as developing job-oriented curriculum, improving facilities of vocational education institutions and increasing the quality of teachers through professional development programs. Accordingly, this project aims at increasing institutional capacity of the training centers that serve for people living with disability, developing curriculum for the training centers and enhancing the human capacity of the teachers.

**Project Activities:**

- Training on development of vocational skills for the teachers and curriculum for the training centers in the OIC countries
