

REPUBLIC OF TÜRKİYE

Project No: 2020-TURTR-1884

Project Title: Developing Human Capital in OIC Countries for Technical Halal Audition Based on SMIIC Halal Certification System

Project Owner: Ministry of Trade

Project Partners: Pakistan, Kazakhstan, Kyrgyzstan, Nigeria

Cooperation Area: Trade

Implementation Year: 2021

Project Purpose: One of the policy recommendations adopted in the 33th COMCEC Ministerial Session is “Strengthening harmonization, alignment of standards and conformity assessment procedures with international standards.” This project served the purpose of realizing this policy recommendation through ensuring the common understanding on the application of the harmonized standards as national standards and avoiding the usage of multiple certifications within intra-OIC trade for halal products. Overall, the project targets to contribute diminishing of the technical barriers to trade, reducing the certification costs and avoiding delays in deliver.

Project Activities:

- Training on OIC/SMIIC Halal Quality Infrastructure Training
- International Conference on OIC/SMIIC Halal Quality Infrastructure
