

## **THE GAMBIA**

### **Project No: 2021-GMBTRANS-920**

**Project Title:** Improving Human and Institutional Capacity for the Development of Key Performance Indicators (KPIs) in the Transport Sector of the OIC Countries

**Project Owner:** Ministry of Transport, Works and Infrastructure

**Project Partners:** Nigeria and Senegal

**Cooperation Area:** Transport and Communications

**Implementation Year:** 2022

**Project Purpose:** The purpose of the project is to identify critical success factors in the transport sector, quantify those critical factors and develop Key Performance Indicators (KPIs) and analyse them to measure performance against set targets through the training of transport sector officials of selected OIC countries.

#### **Project Activities:**

Training on KPIs for the transport sector to equip transport sector officials of the OIC with the requisite skills and core competencies in the relevant area. The training will serve one of the outcomes of the COMCEC Strategy, which aims at improving national transport policy-making and planning capacity of the member states.
