

## TÜRKİYE

### **Project No: 2021-TURPOVER-913**

**Project Title:** Impacts of Digitalization in Social Assistance Program for Forced Migration

**Project Owner:** Ministry of Family and Social Services

**Project Partners:** Jordan, Pakistan and Tunisia

**Cooperation Area:** Transport and Communications

**Implementation Year:** 2022

#### **Project Purpose:**

The project aims at increasing and strengthening institutional capacity of countries for social assistance programs in forced migration by preparing guideline for a digital based social assistance system.

#### **Project Activities:**

- Training on Turkish experience on forced migration, registration system and digital infrastructure as well as Integrated Social Assistance Service (ISAS) and Emergency Social Safety Net (ESSN) programs.
- Workshop for drafting a Guideline for Digitalized Social Assistance Model with the participation of partner countries as well as relevant civil society institutions such as Türk Red Crescent.
