

REPUBLIC OF BENIN

Project No: CCR-2021-BENAG-204

Project Title	:	Increase rice productivity to ensure food security and sovereignty in Benin
Project Owner	:	<i>Ministry of Agriculture, Livestock and Fisheries</i>
Project Type	:	Direct Grant
Cooperation Area	:	Agriculture
Implementation Year	:	2022
Project Summary	:	The project aims at increasing the availability of rice by improving its productivity. In line with this objective, rice seed and mineral fertilizer will be distributed to cover 150 hectares of rice fields for the benefit of 216 small producers. Revenues from additional production will enable producers to sustainably ensure their access to inputs.
