

REPUBLIC OF TÜRKİYE

Project No: CCR-2021-TURAG-207

Project Title	:	Resilience in the Seed Sector with the Rising of Risks after Covid-19
Project Owner	:	Ministry of Agriculture and Forestry
Project Type	:	Sharing Expertise (Workshop)
Cooperation Area	:	Agriculture
Partners	:	Azerbaijan, Morocco, Pakistan, Malaysia, SESRIC
Implementation Year	:	2022
Project Summary	:	In the project, it is aimed to investigate good practices in terms of how seeds are supplied and distributed during the COVID-19 and to investigate how to act at the institutional level in such crises for the future. For this purpose, it is aimed to hold a 3-day workshop with the participation of relevant experts from each partner country.
