

## The GAMBIA

### Project No: GMBTRANS-992

**Project Title:** Increasing Human and Institutional Capacities for the Establishment of a Road Safety Lead Agency in The Gambia.

**Project Owner:** Ministry of Transport and Communication

**Project Partners:** Morocco

**Cooperation Area:** Transport and Communication

**Implementation Year:** 2023

**Project Purpose:** The project aims to devise a roadmap for the formulation of a legal framework toward the establishment of a Road Safety Lead Agency in The Gambia. The activities of the project include a Peer-to peer Experience Sharing expert visit to the National Road Safety Agency of Morocco by Gambian officials. The outcome of the project will be a road map produced, leading to the formulation of a legal framework for the establishment of a Road Safety Lead Agency in The Gambia.

#### **Project Activities:**

- The activities of the project include a Peer-to peer Experience Sharing expert visit to the National Road Safety Agency of Morocco by Gambian officials. The outcome of the project will be a road map produced, leading to the formulation of a legal framework for the establishment of a Road Safety Lead Agency in The Gambia
