

SESRIC

Project No: 2022-SESRIC-075

Project Title: Increasing the Utilization of Innovative Financing Tools to Maintain Transport Infrastructure and the Services of TSPs in the OIC Member Countries

Project Owner:

Project Partners: 20 Member Countries

Cooperation Area: Transport and Communication

Implementation Year: 2023

Project Purpose: The project aims to create a platform to increase the institutional and human capacities of the staff of the Ministries of Transport and other relevant transport authorities of the OIC Member Countries and to facilitate access to various financial tools for TSPs in order to mitigate the impact of COVID-19 on the provision of transportation.

Project Activities:

- *Training Course on “Increasing the Utilization of Innovative Financing Tools to Maintain the Transport Infrastructure and the Services of TSPs”*
- *Workshop on “Increasing the Utilization of Innovative Financing Tools to Maintain the Transport Infrastructure and the Services of TSPs”*
