

TÜRKİYE

Project No: 2024-TURDIGIT-355

Project Title: Capacity Building Programme on Artificial Intelligence (AI) for Public Sector Employees

Project Owner: Digital Transformation Office

Project Partner(s): Tajikistan, Sierra Leone, Sudan, Azerbaijan and Palestine

Cooperation Area: Digital Transformation

Implementation Year: 2025

Project Purpose: This project is intended to serve the theme of “Advancing Digital Skills and Competencies” which is one of the priority cooperation themes identified within the scope of COMCEC Digital Transformation Forum. In this context, it aims to contribute to strengthen the capacities of personnel working in public institutions responsible for AI governance in OIC member countries.

Project Activities:

- An online training activity will be organized focusing on technical, ethical and legal aspects of artificial intelligence.
