

JORDAN

Project No: 2025-JORTRANS-400

Project Title: Fostering a Common Regulatory Framework for ITS-Based Ride-Hailing Services in OIC Member States: Building Capacity and Data Integration through a Jordanian Pilot

Project Owner: Ministry of Transport

Project Partners: Türkiye and Saudi Arabia

Cooperation Area: Transport and Communications

Implementation Year: 2026

Project Purpose: This project aims to enhance the regulatory governance of ride-hailing services in OIC Member States through the sharing of experiences, data integration, and institutional capacity building. Using Jordan as a pilot country, the project will examine international good practices through a study visit to Saudi Arabia, followed by a national workshop in Jordan to assess applicability and develop a regulatory roadmap.

Project Activities:
- Study Visit and Workshop
